Description

Delicious, nutritious, and delectable soap good enough to eat, but don't! Save it for your skin. Your face will be happy, nourished, and kind to you again. (Plus, soap tastes yucky)

Zap your acne into submission, contain those excited oily pores, soothe your tired, blemished skin now. Our fresh cucumber soap is designed to soothe and balance that energized, over excited, over worked skin.

Made with supreme chlorophyll, dried cucumber powder, the best oils (including rosehip and hazelnut), and splendid essential oils of sweet orange, mandarin, ginger, and lemongrass.

Note:

Ask and you shall receive a complimentary loofah soap holder or mini scrub pad that helps foam up soaps, contain the remaining bits and pieces and is also a natural, safe scrub for your face.

Description

Cocoa rich, freshly blended with fresh-harvested aloe vera gel and juice. This cream is silky on skin, super smooth, and designed to make the most stubborn, dry skin recover like the flowers of the desert after a rain.

Originally designed for eczema and psoriasis, this cream has become a rich staple for all my clients. It is very soothing and smells delicious. A light blend of french lavender and Moroccan chamomile essentials oils rounds out the rich combination of oils (jojoba, cocoa, sweet almond) and aloe vera juice and gel, and lavender hydrosol (from a local ontario lavender farm).
